February 19-21, 2019

Among the events of the exhibition we would like to mention:

GRAIN INDUSTRIAL FORUM 2019.

The event where the main branch of agriculture was viewed from the prospective of national industry. Representatives of the Ministry of Agrarian Policy and Food of Ukraine, Ukrainian Railways, Ukrainian Grain Association, the leading experts of international and domestic agricultural market, as well as exhibitors, participated in the Forum.

Organizer:

Kyiv International Contract Fair.

Co-organizer:

editors' office of Elevatorist.com.

International seminar:

"EFFECTIVE DUTCH PROGRAMS OF MONITORING AND ERADICATING DISEASES OF CATTLE FOR IMPLEMENTATION IN UKRAINE"

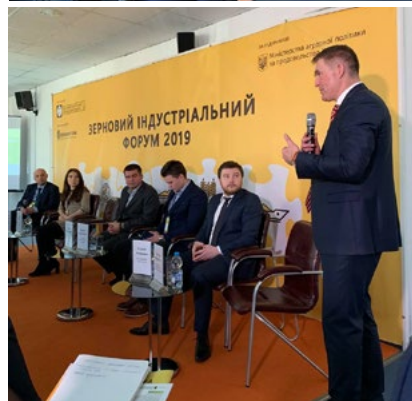

gathered visitors, who take care of their cattle and have responsible attitude to quality of farming. There is a problem of increased incidence of cattle diseases that can be successfully treated in case of early diagnostics. Evheniia Shaikhnet, lecturer from "Center of Veterinary Diagnostics", shared her knowledge regarding this question. Ryan van Egmond, specialist of GD Animal Health, gave practical recommendations on veterinary questions and told about implementation of Dutch Control Program.

Organizers:

DUDC - Dutch-Ukrainian Dairy Center,

GD Animal Health,

CVD - Center of Veterinary Diagnostics.

February 19-21, 2019

THE 10th DUTCH-UKRAINIAN AGRIBUSINESS FORUM ON PROFESSIONAL POTATO PRODUCTION brought together a big number of like-minded people and entrepreneurs interested in professional development of their business. The burning questions which were discussed at the forum are as follows: development of potato processing, ways to enter European markets, modern tendencies, specialization of production, as well as the question of state support, which Viktor Sheremeta, Deputy Minister of Agrarian Policy and Food of Ukraine, told about.
